Section 1
Company Summary

Al MadarTransportation & Vehicle Maintenance O.P.C

Introduction

Since 1992, **Al Madar Transportation & Vehicle Maintenance O.P.C.** is one of major and important backup resources of Al Madar Contracting O.P.C, largely due to the support of:

- Its wide-range of light and heavy equipments fleet
- Its frequent upgrade of the existing fleet with the latest plant equipment models and types
- Up-to-Date staff's technical knowledge on latest development, each in his area of service

Al Madar Transportation & Vehicle Maintenance O.P.C. first Priority is to ensure that the equipment and its operators are having a third party's fitness certificate, carried by highly qualified maintenance teams, distributed between the main garage and the mobile service vehicles, to keep the plant and equipment up on its original operational condition at all times.

Al Madar Transportation & Vehicle Maintenance O.P.C

Our Services

Behind the Transportation & Vehicle Maintenance Branch , Al Madar enjoys well equipped main Garage, its mobile service vehicles and the workshop's full support, which gave the Department a very high flexibility and excellent quality in terms of the services provided to the clients.

Workshop Details & Specifications:

- **Workshop Space: 2000 SQM**
- **Yard Area: 1700 SQM**
- **Location : Industrial Area, 41 Street**

Al Madar Transportation& Vehicle Maintenance Provides :

- **Spare Parts in the main store.**
- **The fast response and quick attendance of the garage mechanics and the workshops.**
- **Fast repair of the plant and equipment breakdowns.**
- **Equipment's high Quality and Performance.**
- **The availability of highly qualified, well trained experienced and fitness certified operators.**

All of these factors above, guarantee the continuity of the plant and subsequently prevent delays of the Clients projects, assure the high productivity and hence, reduce the costs lying on the clients.

Al Madar Transportation & Vehicle Maintenance O.P.C

Certificated/ Classification

Al Madar Transportation & Vehicle Maintenance O.P.C

We **Al Madar Transportation& Vehicle Maintenance O.P.C is** continually looking to improve our processes and advance the use of technology to enable our customers, suppliers and partners to become more efficient and profitable. List of Projects done with transportation section support

Al Madar Transportation & Vehicle Maintenance O.P.C

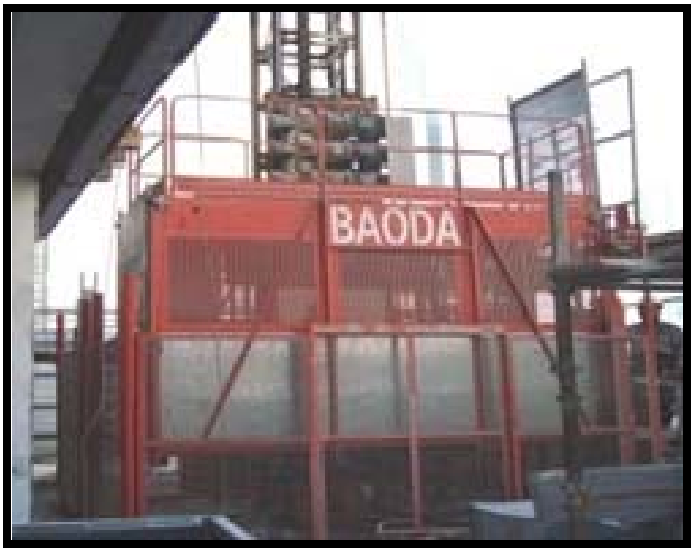
Completed Projects



Woqod Office Tower 4B+G+M+30F in West Bay

Project Description: Construction of Office tower with all complete finishing works, substation and electro-mechanical installation landscaping etc.

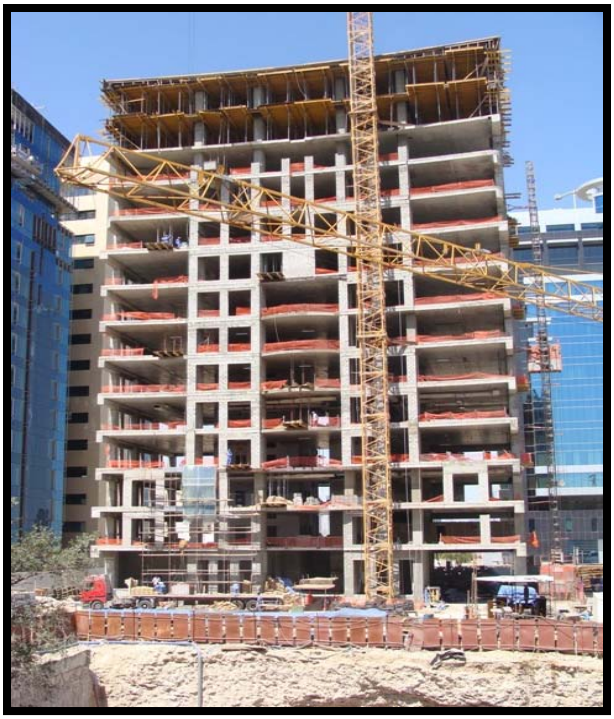
Client: WOQOD

Consultant: Romatre Project S.R.L

Project Duration: 23 months

Contract Value : QR 230 million

Al Madar Transportation & Vehicle Maintenance O.P.C



One One Four in Old Salata

Project Description: Construction of 3B+6+14+Penthouse office building with all completed works, substation and electro-mechanical installation etc**.**

Client :QNB

Consultant: Design and Consult Bureau

Project Duration: 20 months

Contract Value: QR 60 Million

Al Madar Transportation & Vehicle Maintenance O.P.C

Al Noor Tower 2B+G+24F

Project Description: Construction of an office tower with all complete finishing works substation and electro-mechanical installation etc.

Client: Al Madar Real Estate

Consultant: Arab Engineering Bureau(AEB)

Project Duration: 24 months

Contract Value: QR 122 Million

Al Madar Transportation & Vehicle Maintenance O.P.C

Four Stars Hotel B+G+M+12 in old Salata

Project Description: Construction of the hotel building with all complete finishing works, substation and electro-mechanical installation etc.

Client : Al Madar Real Estate

Consultant: AAG

Project Duration: 16 months

Contract Value: QR 60 Million

Al Madar Transportation & Vehicle Maintenance O.P.C

Residential Building in Muntazah B+G+4

Project Description:
Construction of 2 nos. residential buildings with all complete finishing works substation and electro-mechanical installation etc

Client: Sheikh Saoud Mohamed Al Thani

Consultant: Design and Consultant Bureau(DCB)

Project Duration: 16 months

Contract Value: QR 40 Million

Al Madar Transportation & Vehicle Maintenance O.P.C

Dunes Hotel Tower 2B+G+21F

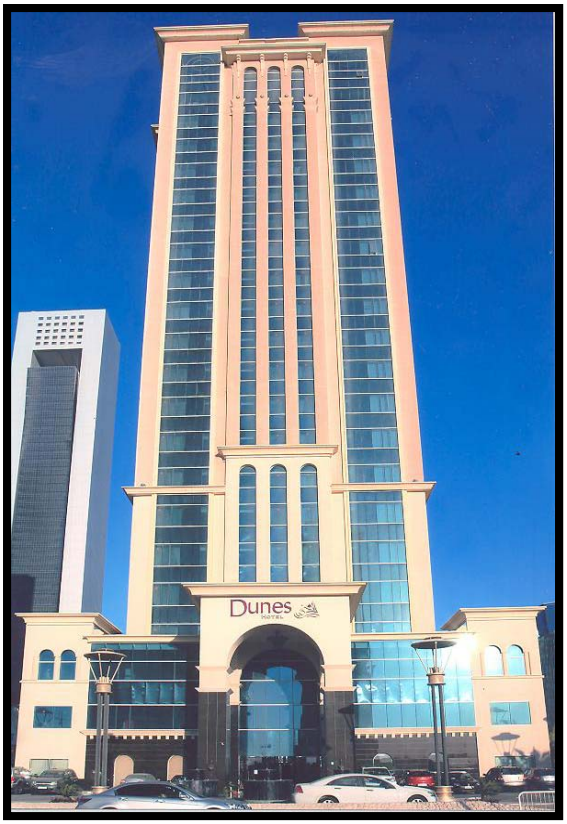
Project Description: Construction of Five Stars Dunes Hotel in West Bay

Client :Sheikh Fahad Al Thani

Consultant: Adil Jaidah, MZ& Partners

Project Duration: 24 months

Contract Value: QR 78 Million



Al Madar Transportation & Vehicle Maintenance O.P.C

Ongoing Projects

2 Villas at the pearl

Project Description:
Construction, Completion and Maintenance with complete finishing works.

Client: Ali Mashadi & Haidar Mashadi

Consultant: German Design Group

Project Duration: 24 months

Contract Value; QR 8 Million

Al Madar Transportation & Vehicle Maintenance O.P.C

Markaz Al Mana in Najma 2B+G+M+7F

Project Description: Construction, Completion and Maintenance of the building.

Client: Al Mana Trading

Consultant: Manco International

Project Duration: 18 months

Contract Value: QR 66 Million

Al Madar Transportation & Vehicle Maintenance O.P.C

Office Building Construction B+G+4F in Messaeed

Project Description: Construction of an office building with all complete finishing works, substation and electro-mechanical installation etc.

Client :QAFCO

Consultant: United Consultants

Project Duration: 16 months

Contract Value: QR 50 Million

Al Madar Transportation & Vehicle Maintenance O.P.C

Wakra Security Complex in Wakrah

Project Description:
Construction of an office building with all complete finishing and electro-mechanical installation works, substation, landscaping and other ancillary building etc

Client: MOI

Consultant Engg Division

Contract Value: QR 82 Million
